PATENT APPLICATION ASSIGNMENT -  
JOINT AND JOINT INVENTORS

WHEREAS, I, Peter Richard Horsfall, of assignor, have invented certain improvements in ELECTRONIC TRADING SYSTEM for which an application for United States Letters Patent has been executed by me of even date herewith; and

WHEREAS, Electronic Broking Services Limited, an English Limited Company, having its principal place of business at 55-55 Lincoln Inn Fields, London WC2A, 3LJ, England, as assignee, is desirous of acquiring all right, title and interest in and to said invention and any Patent that may be granted therefor.

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor, hereby sell, assign and set over to said assignee the entire right, title and interest for the United States and all other countries in and to said invention and the aforesaid application for Patent, all original, divisional, continuation, substitute or reissue applications and patents applied for or granted therefor in the United States and all other countries, including all rights of priority from the filing of said application, and all rights for past infringement, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said inventions or resulting therefrom to said assignee. I, as assignor, as assignee of the entire interest therein, and the undersigned for myself and my legal representatives, heirs and assigns do hereby agree and covenant without further consideration, to execute and deliver all divisional, continuation, reissue and other applications for Patent on said inventions and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said inventions, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to assist assignee, its successors, assigns and nominees to obtain patent protection for said invention in the United States and all other countries, the expenses incident to said applications to be borne and paid by said assignee.
